NFA Goals

- Provide Educational, Cultural, Artistic, Charitable, Social Service and public improvements.
- Increase economic well being for property owners, employees and businesses.
- Provide improvements and activities to assist in economic and commercial revitalization.
- Provide clean, safe and beautification programs to improve economic prosperity for property owners, businesses and the community.
- Bring about investment of public and private capital within the Business Improvement District and surrounding area for public benefit and charitable purposes.

Mission Statement

North Figueroa Association is the management organization for the Highland Park Business Improvement District and is an advocate for the North Figueroa Property owners by empowering and aiding in the stimulation of growth, development, revitalization and maintaining the historic value of the North Figueroa Corridor.

The North Figueroa Assoc. will support an environment in which stakeholders can conduct commerce, live and play.

How You Can Help

Keep the district clean, safe and pedestrian friendly by:

- Make sure your businesses do not place their trash in the sidewalk receptacles. These receptacles are for pedestrians only. When businesses place trash in the street receptacles it increases property assessments to remove the extra trash.
- Keep windows & awnings clean
- Remove old, torn or faded signs or banners.
- Sweep your store front. The Clean Team sweep the streets, they do not sweep private property
- Post store hours in windows.
- If you See Something, Say Something.
