Who can vote in this election?

All voters must register for Neighborhood Council (NC) elections each season, regardless of whether they are registered to vote with LA County, or whether they have voted in NC elections in the past.

Anyone age 16+ who lives, works, or owns property or a business within NC boundaries may vote in this election for the following seats, as well as for the District Representative seat that represents their district of the NC (district map available at <https://harborgatewaynorth.org/districts/>):

Chairperson, Vice Chairperson, Secretary, Treasurer, Community Organization Representative, Youth Advocate, Outreach/Communications Representative, Youth Representative, At-Large Representative.

Anyone age 16+ who studies or worships within NC boundaries – or who otherwise qualifies as a community interest stakeholder because they belong to locally based service organizations meeting [specific requirements](#) – may also vote in this election, for the At-Large Representative seat. Learn more about community interest stakeholder requirements, at <http://tiny.cc/CommunityInterest>.

Anyone age 14+ who lives or works within NC boundaries may vote for the Youth Representative seat in this election.

Participation is open to all regardless of immigration status, and is also open to those who are unhoused or system -impacted.

Proof of voter eligibility is required

Voters are required to show proof of eligibility to participate in this election. This means you need to show something with your photo, name, date of birth, and your qualifying address within NC boundaries, to prove you are a stakeholder of your NC.

If you are a local resident with a current drivers license that includes your qualifying address, that will do. However, a government-issued ID is not necessary; you can use something like a Costco card and a piece of mail plus something that shows you meet the voting age requirement as well). See a full list of accepted document types here:
